"APPLE CINNAMON DOG TREATS"

These super easy dog treats are sure to be a hit! Oatmeal, cinnamon applesauce, and an egg is all you will need to seem like a master chef to your special pup. In fact they will sit by the oven while these bake!

Ingredients

- 1 cup Dry Quick Cook Oatmeal
- ½ cup Cinnamon Apple Sauce or Apple Sauce with dash of Cinnamon Added
- 1 large Egg

Instructions

1. Preheat oven to 350 degrees.
2. In large clean but dry mixing bowl pour the cup of oatmeal. Add the applesauce and mix well. Once everything is mixed together add the egg and mix again.
3. If you want to get fancy or happen to have either whoopee cake molds or mini bunt pans you can spoon the mixture into the pan. If you just have the basics use a cookie sheet (that's the thin metal baking sheet). Grease the pan or tray with oil - as long as your pet doesn't have any allergies the only oil you should stay away from is grapeseed oil.
4. Scoop the mix into the molds or create big drop cookies using a tablespoon.
5. Once the oven is to temperature place the tray or pan in the oven for 22 minutes. Make sure to set the kitchen timer and not rely on watching the time. You will likely have a dog sitting in front of the oven making sure you remember but the telephone will ring or you will get an important email and completely forget about the oven.
6. The cookies should just pop right out of the pan or slide off of the tray immediately so you can allow to cool. Since your dog is likely begging by this point as soon as the cookies are body temperature you can allow your dog to have a bite or two.

Please submit contributions for publication in the Heartbeat by the 10th of January, March, May, July, September and November for inclusion in the issue for those months. Thank you!

*Each issue of the **Heartbeat** newsletter is a means for the club to communicate, inform and hopefully, entertain the readership. All readers are invited to submit articles, photos, editorials or simply your comments on the dog related news items and happenings that you wish to share.*

"Letters to the editor" and op-ed pieces are also appreciated which are your 'take' on what is important to you that you feel the club members might like to be aware.
