President Report Sunny Lambert, President

During the winter months we get to not only do some remedial training of our dogs in our living room but also dream about some of the things we'd like to do when it warms up. A couple of upcoming events in the next few weeks are the Minnesota Purebred Dog Breeders seminar Nature and Nurture: A Breeder's Crucial Role. The Presenter is Dr. Margaret Duxbury, Veterinary Behavior Specialist Of Minnesota. Not only will this be interesting for those aspiring breeders but also for those with puppies now or to come.

Another event that might prove to be fun is the Doggie Depot event on 2/2 at the Union Depot in St. Paul from 10 AM to 2 PM. There are going to be vendors there and it will be part of the Winter Carnival event day. There was a mention of crowning of the King and Queen of the Winter Carnival. Maybe that will include the dogs?

We'll try to put together some brewery gatherings with our dogs and at least one gathering at Rosedale Mall for a Sunday morning walk with the dogs. Think about what dates would be good for you and start sharing with your SS friends.

The first Sunday in March we'll be having our annual Obedience Fun Match at BOTC in Bloomington. This year Laura Lindenfelser and Les Gagner are co-chairing the event. Because a number of people requested a non-sanctioned fun match, we will be honoring their request. That means the team can practice with verbal cues and treats in the ring. This fun match has always been a success because it's immediately prior to the Wright County Obedience Trial. However, that club has changed the date of their show so St. Croix Valley Kennel Club will be

having their Obedience Trial at Animal Inn the very next weekend. I know there is a flyer already at Animal Inn to advertise our fun match, but the instructors are also making announcements to encourage people to come and practice for the show. We look forward to a good turnout.

Our Annual Awards Banquet is now scheduled for Sunday brunch, 10 AM March 24. A couple of us have been testing food at different locations. The decision has been made to hold the banquet at Vivo's Kitchen in Apple Valley.

Roger Eriksen has been our Newsletter Editor for many years. He has just offered his resignation. We thank Roger for doing an outstanding job with the newsletter, fun stuff, great photos and accolades for accomplishments as well as always staying up to date with the club agendas. These are big shoes to fill. Julia Longtin has agreed to fill them though and I'm sure she'll be kept busy with all the good news. Please feel free to send

AKC Changes Best of Winners Calculations

At the December Delegates meeting a change was approved to Rules Applying to Dog Shows Chapter 16, Section 1 in how Best of Winners points can be calculated. As always, the dog or bitch awarded Best of Winners will receive the higher number of points awarded to the Winners Dog or Winners Bitch. The change that has been approved applies to when there are no points available to either the Winners Dog or Winners Bitch. In those instances, the number of regular class dogs in both sexes are added together. When compared to the point schedule, if the total sum of regular class dogs and bitches meets or exceeds the number of competitors needed for one point in its sex, the Best of Winners will receive one championship point.
